

Term Three in the Junior School

So we have come to the final term in yet another academic year. What more can happen? We have already had the sports meet, swim meet, school production, library week and the Inter schools digital art and animation competition and exhibition. Well, we can assure you that there is still plenty happening this term. Take a look below for further details. Please note that changes have been made to the final week of school which differs from previous years.

Third Term
Examinations

14th – 18th June!

Fusion Of Colours.

The art exhibition will commence from Wednesday 19th May. All are welcome to attend. The exhibition consists of handwork, fabric paintings, glass paintings, drawings and much more. Please make time to come and visit as the students and Miss Sulochana and Teena have been working hard on this project for sometime.

Musical Evening

The musical evening will take place on the 2nd of July. As always a tremendous amount of talent will be on display. There will be a variety of performances from vocal items to instrumental items. This is a free event and you can contact Miss Jianthi for details.

As always we must say goodbye and a special thank you to those teachers who are leaving us this year. We wish them the best of luck for their onward journey, whether it is overseas or here in Sri Lanka.
