

Olivia!

A FEMALE OLIVER!

"A Stunningly
Beautiful
Musical"

BY MALCOLM SIRCOM

Junior Musical Production

Olivia! A female Oliver!

This brilliant and innovative show, set in Victorian times, traces the steps of Olivia, from downtrodden orphan to star of the stage. This feel-good show abounds with Malcolm Sircom's well-known wit and humour, both in the script and the songs which are catchy, lyrical, and full of gusto, as well as advancing the story-line.

"The fulfillment comes from watching a cast of more than **170** children on stage performing together. It amazes me to see how these young children appear to conduct themselves with so much maturity within a short time."

- Mrs. Yusra Mushtaq (Producer / Directress)
