STEM IN ACTION: OUR ECO VILLAGE

This term, Year 3 turned into eco-engineers! As part of our STEM learning, we designed and built our very own Eco Village, complete with solar-powered cars, wind turbines, and eco-friendly homes. Using recycled materials and big imaginations, we explored how to live in a way that's kind to our planet. Our young builders learnt all about sustainability, teamwork, and green energy — and had loads of fun along the way!

Year 3

Inspiring STEM week - CIS -Year 4

STEM week at CIS held between 26th - 30th May was an exciting and educational experience for year 4 students. Throughout the second term, students engaged in creating different projects which highlighted Sri Lankan diverse landscapes, including coastal plains, hills, and mountains, districts, provinces, famous landmarks and its rich cultural heritage.

This provided the opportunity to the students to explore the wonders of science, maths, technology, history and arts interactively. The fun - filled projects inspired curiosity, creativity and teamwork and allowed the students to use their learning in real life.

Year 5

STEM PROJECT

Year 5 Topic has focused on the exciting theme of the seas and oceans! The focus for the STEM project was rock pools. The children discovered how these amazing habitats are formed, their uses and where to find them.

ROCK POOLS

It was a fun and creative project where the children made their very own rock pools right in the classroom, filling them with delightful decorations representing the fascinating creatures that call these pools home. As they crafted their unique rock pools, they joyfully explored various aspects of maths, science and technology. It was a wonderful blend of learning and creativity, sparking the children's imaginations and deepening their appreciation for the wonders of the ocean!

CIS- JUNIOR SCHOOL STEM WEEK 2025

During the year 6 STEM Week, students explored Ancient Greece's and the Human Body. They designed models of Greek temples and simple machines inspired by ancient inventions, and created interactive displays showing how the human body works. It was a week of discovery, creativity, and hands-on learning!

La Semaine Culturelle Française

« La France est célèbre pour sa mode élégante, avec des marques comme Chanel et Louis Vuitton. Sa cuisine est délicieuse : les Français aiment le fromage, la baguette et les croissants. Les bandes dessinées françaises, comme *Astérix* et *Tintin*, sont très connues dans le monde entier. Enfin, la France a de magnifiques monuments, comme la Tour Eiffel, le Mont-Saint-Michel et la cathédrale Notre-Dame »

Year 3

As a part of their introduction to French Culture, Year 3 students had a wonderful time discovering the world of French comics - les bandes dessinées! From colourful scenes to imaginative speech bubbles, students brought their stories to life through art and humour!

"Roger est sympathique !" - Oshadha Year 3-I

"Can we do comics every French period?" - Ayesha Year 3

Arielle Year 3-C

"I love colouring" - Margerette Year 3-S

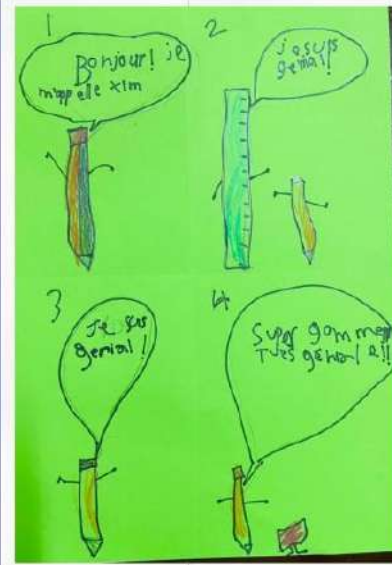

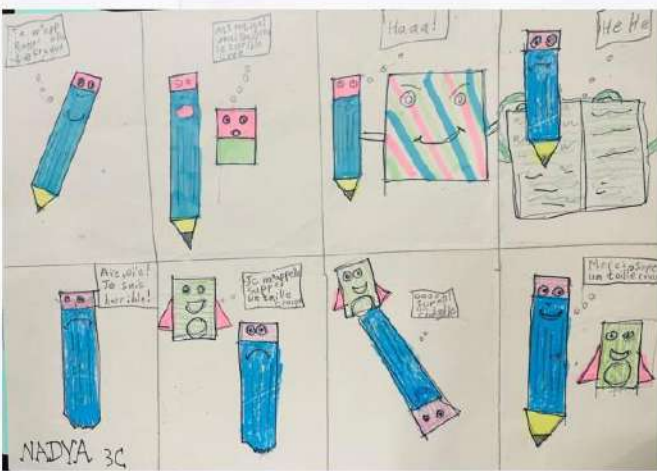

Year 3

"I used Salut and Au-revoir"-
Shivani Year 3 -I

"Xim est
un
crayon"-
Max
Year3-C

"It was fun to write in French and draw at
the same time"- Nadya Year 3-C

The activity
sparked laughter,
storytelling and a
whole lot of
artistic fun !

"I love colouring"-
Kehara Year 3 -C

"My comic's super hero is
Superscotch"- Aanya Year 3 -C

"I made a comic about a
superhero, made out of stationery
in French"- Cody Year 3-I

Year 4

Year 4 students explored the tasty world of French food by creating their very own booklets. Each student designed colourful pages filled with French vocabulary for fruits, vegetables, snacks and meals. The activity helped reinforce new words in a fun, creative way, and the finished booklets were both educational and adorable!

The classroom
filled with
excitement, colour,
and a few hungry
tummies!!

Year 4

la cuisine française

La nourriture française est très célèbre dans le monde entier. En France, les gens aiment bien manger et prennent leur temps pour savourer les repas. En France, il y a beaucoup de **fromages** différents - plus de 400 !

Les **baguettes** sont vendues dans toutes les boulangeries, et les gens en achètent presque chaque jour.

Les desserts français sont aussi très connus : la **crêpe**, la **tarte aux pommes**, le **macaron**, et la **crème brûlée** sont très populaires.

Year 5

MUG CAKE

As a part of French Cultural Week, our Year 5 students enjoyed a sweet and simple French experience. -Making a Mug Cake in class!

This fun activity introduced them to the idea of a goûter, a beloved French evening snack that children enjoy after school. It was a delightful way to explore how the French love cuisiner (to cook) at home.

The classroom was filled with excitement, chocolaty aromas, and lots of happy smiles! 
Bravo les petits chefs!

Year 5

Little Builders - Reaching for the Sky !

Year 5 students took on an exciting mini challenge - to build their own Eiffel Tower!! Each group worked together to recreate France's most iconic landmark. The activity not only brought French culture to life, but also helped students practice teamwork, communication and collaboration- all while having fun!

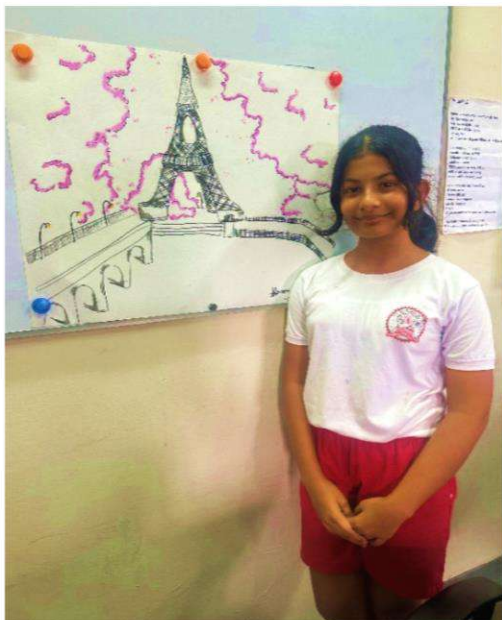

Year 6

"Sans élégance de cœur, il n'y a pas d'élégance."
"Without elegance of heart, there is no elegance."

Yves Saint Laurent

French Assembly

Year 5 & 6

The students of Year 5 & 6 introducing the beauty and richness of French Culture.

"Je me suis inspirée par des robes de bal françaises pour créer ce drapé."

Lisani 5G

"La mode française est élégante et simple. Je me suis inspirée des fleurs, c'est pour cela que j'ai mis une fleur en haut."

Shreya 5C

Je m'appelle Christian Dior. Je suis né en France.

Ben 5C

We also enjoyed a special moment as one student shared his own experience of visiting France!

Akhil-5S

French Assembly

Year 5 & 6
