# YEAR 05- STORY ORIGINS

Year 5 students explored the exciting theme of story origins during Library Week. They learned how stories were told long ago through cave paintings, spoken tales and ancient myths. These early stories helped people explain the world around them and share important lessons. It was a fun and inspiring week celebrating where stories come from!

## Year 6

Year 6 explored the voices of three distinct authors; the humorous writing of Jenny Alexander, the vivid imagination of Roald Dahl, and the rich storytelling of Rick Riordan.

These authors and so many others have brought us tales of magic and adventure, shown us different worlds and have sparked our imaginations. Well done to Year 6 for some great performances!
