DOT DAY CELEBRATIONS

The CIS Junior School celebrated International Dot Day with a burst of colour, creativity and fun! Through a range of exciting activities, our students brought their imagination to life, creating a vibrant celebration of dots that reflected their creativity, individuality and enthusiasm. It was a joyful reminder that even the smallest dot can inspire something extraordinary!

Children's Day Celebrations in Junior School

The Junior Section celebrated Children's Day with a delightful session filled with music, movement and enjoyment. The children participated enthusiastically in a specially organised dancing session, guided by their Dance Teacher, providing them with an opportunity to express themselves through movement and enjoy time together.

The celebrations were further enhanced with a special gift, ice cream treat and a Children's Day badge presented to each child as a token of the occasion. It was a memorable celebration that brought together learning, friendship and the simple joys of childhood.

Laugh.
Repeat!

One School.
Endless Fun.
Countless Smiles.

TOPIC DAY - YEAR 3

The Year 3's rocked the stage with an exciting journey back to the Stone Age!

From the mysteries of ancient caves to the discovery of fire, the students took the audience on a fascinating journey into the Stone Age.

From hunting and gathering to the beginnings of farming, the Year 3s uncovered the remarkable ways people lived, learnt, and adapted.

It was a day filled with discovery, creativity and excitement, as the Year 3s brought the fascinating world of the Stone Age to life!

Topic Day - Year 4

The Year 4 students took the audience on a fascinating journey to the world of the Ancient Mayan Civilizations.

From the magnificent temples and towering pyramids to the mysteries of Mayan numbers and astronomy, the students captivated the audience with their exciting presentations.

They explored the lives of Mayan kings and queens, the bustling markets, traditional clothing, lively dances, and the famous ball game, Pok-A-Tok. They also discovered the remarkable achievements of the Maya in architecture, mathematics and the study of the stars.

It was a day filled with discovery, wonder and excitement, as the Year 4 students brought the fascinating world of the Ancient Maya to life!

Egyptian Escapades - Year 5 Topic Day

On Wednesday, 7th October, our Year 5 students travelled thousands of years back in time for an Ancient Egyptian-themed Topic Day!

Class 5C

Opened with a lively song about Ancient Egypt

Class 5I

Performed the play 'Egyptian Gods Got a Problem'

Class 5S

Danced to 'Move Like an Egyptian' dressed as mummies and pharaohs

Showcase, Movie & Feast

The morning began in the auditorium with a wonderful showcase of songs, plays and dance, with colourful costumes making it a memorable event. Afterwards, students enjoyed an Egyptian-inspired movie and a delicious themed meal together.

Hands-On Fun

The day was filled with games, crafts and class activities, with plenty of laughter, excitement and discovery.

Egyptian Escapades was a wonderful celebration of learning, creativity and teamwork. Our Year 5 students certainly made the day one to remember!

Year 6 Topic Day
ANCIENT GREECE

On Tuesday, 6th October 2026, our Year 6 students travelled back in time to Ancient Greece for an exciting and memorable Topic Day!

The day began with a lively assembly featuring plays, songs, dances and a dramatic performance inspired by Greek mythology. Students then enjoyed the movie '***Hercules***', followed by a delicious Greek-style meal!

The fun continued with creative activities, including designing Greek pottery, making laurel wreaths (kotinos) and creating Greek puppets. Puzzles and challenges kept everyone engaged throughout the day.
It was a wonderful day of learning, creativity, teamwork and fun, bringing the fascinating world of Ancient Greece to life!
