

Year 5 Topic Day- Ancient Egypt

The students of Year 5 had their Topic Day on 13th October 2022. The day's programme started with the assembly in the Auditorium where students performed a variety of acts including dances, songs and drama on celebrating Ancient Egyptians. After the assembly students watched a movie about Rameses, the mighty pharaoh. Back in class they enjoyed a delicious Egyptian meal and made a pop-up card and a Pharaoh's mask. It was an amazing experience for students to learn through interesting presentations and they had lots of fun!
