Vesak Assembly

The traditional Vesak assembly held on Wednesday 22nd of May was a celebration of light, wisdom, and compassion, resonating with the true essence of Vesak. Our senior students honoured this solemn occasion with enlightening speeches, informative videos and devotional songs that promoted introspection and a deeper understanding of compassion and mindfulness inspired by the timeless teachings of the Lord Buddha.

**“Hatred is never
appeased by hatred in
this world. By non-
hatred alone is hatred
appeased. This is an
eternal law.”**

INTER-HOUSE VESAK LANTERN COMPETITION

During the first break on the 22nd of May, the Courtyard was transformed into a kaleidoscope of colours as each house showcased their unique interpretations of the traditional Vesak lanterns. The judges were awed by the creativity and craftsmanship on display as they faced the unenviable yet delightful challenge of selecting winners amidst such a wealth of talent. However, it was decided that Blue House was the winner with Red and Green tying for second place. More importantly, the event fostered a sense of unity and a shared purpose, as students from different houses came together to celebrate the values of compassion and enlightenment embodied by Vesak.
