CIS excels at SLMUN 2026

The 19th Session of the Sri Lanka Model United Nations (SLMUN 2026) Conference was held at the BMICH on the 15th and 16th of August 2026.

Our school's Model United Nations members demonstrated exceptional confidence, leadership, and diplomatic skill at the recently concluded SLMUN 2026 conference. Representing their assigned countries with dedication and professionalism, our students engaged in thought-provoking debates on important global issues.

Throughout the conference, the delegates researched complex topics, presented well-prepared arguments, and worked collaboratively with students from other schools. Their ability to communicate clearly, think critically, and negotiate respectfully reflected the hard work and commitment they had invested. Despite having to train during school holidays, the senior members of the delegation worked tirelessly with the delegation – answering concerns about foreign policy and procedure, managing several practice sessions and polishing each members arguments, in preparation for the highly anticipated conference.

Their active participation and impressive performances brought pride to the school community. Our delegates' achievements, whether novice or seasoned, whether award winners or not, are highly recognized and greatly appreciated – as they represented the MUN society and the school with poise, vigour and a passionate spirit.

Their success at SLMUN 2026 is a testament to the spirit of inquiry, collaboration, and excellence that continues to inspire our school's MUN community.

The CIS delegation consisted of :

- YEAR 8
Selini Fernando , Hirranyaa Hidayashanker
