SLMUN, the 14th session of Sri Lanka's biggest Model United Nations Conference, was held from January 22nd to 23rd 2022. This conference featured a CIS delegation of 17 students. The CIS delegates stood out as they mostly consisted of novices but they impressed the conference with their remarkable talent, outperforming the majority of the more experienced delegates. CIS became victorious by securing the above prestigious awards in one of Asia's largest student-run United Nations simulations.
